PROJECTS

COMPUTERIZED PAYROLL SYSTEM WITH ATTENDANCE MONITORING FOR TECHNOFOODS PHIL. INC. (DESKTOP APP)

- A desktop application to monitor and record the attendance of and to easily compute the payroll of all employees. The goal of this project is to eliminate the manual processes of the company when it comes attendance monitoring and computing the payroll of each employee.
- Tools: Visual Studio / C# / Asp.Net / MSSQL / ITextsharp and Syncfusion API

COMPUTERIZED PAYROLL SYSTEM WITH ATTENDANCE MONITORING FOR TECHNOFOODS PHIL. INC. (WEBSITE APP)

- In this project we also develop a website application for the employees of Techno Foods Philippines Inc. to monitor their attendance record and pay slip online. They can download their previous pay slip online.
- Tools: Visual Studio / C# / Asp.Net / MSSQL / ITextsharp and Syncfusion API

BINGO MANNY DESKTOP APPLICATION

- It is an educational game application with the same concept of bingo game but in this application, you have to answer the questions correctly before having a stamp on your card. The professor can modify to his/her preferably questions.
- Tools: NetBeans / Java
